

NEW for '09

For the 2009 season Darlac brings you our new Super Pro range. Great for professionals and keen amateurs.

Super Pro Bypass Lopper

Top of the range heavy duty bypass lopper with extra large cushioned buffers. For professionals and keen amateurs.
DP1020

Super Pro Pruner

Top of the range pruner with a 20mm cut capacity. Slim profile handles suit large or small hands. Blades and springs are replaceable.
DP1030

Super Pro Snips

Top of the range snips suitable for trimming and light pruning. Extra long blade for easy access to awkward places.
DP1042

Super Pro Rotating Handle

This top of the range bypass pruner has the same specification as the DP1030 except it has a rotating handle.
DP1031

Compound Action Shear
Lightweight and easy to handle with compound action blades to get through tougher growth.
DP700

Flip-Lok Long Reach Shear
Telescopes from 770mm - 1080mm with perfect blades for shaping out of reach growth.
DP814

Tungsten Sharpener
For garden tools, household knives and scissors. Has an integral oil wipe in the handle. Good for bringing tools "back to life".
DP101

Compound Action Lopper
Compound action offers remarkable cutting power requiring far less effort. Large buffers reduce jarring. Weighs only 800g.
DP721

4 Way Brass Manifold
Fits any standard threaded tap
DW402

Fertilizer Dispenser
Supplied with bracket for wall mounting by tap for use in conjunction with hosepipe. Capacity 500ml.
DW585

Hose Hanger
Stores up to 30m 1/2" hose. Hangs conveniently over tap or in the garden shed to store hose or cable.
DW610

Hose & Cable Tidy
Stores up to 30m 1/2" hose or cable.
DW620

Easy Cut String Cutter
Wear on finger when tying plants.
DA130

Tool Maintenance Oil
Use to clean, lubricate and protect.
DA150

Sickle
For clearing undergrowth including thistles, nettles and briars.
DP755

Garden Composter
Heavy duty polyethylene construction with drainage vents at base and sides. 100L capacity.

Green Bags
Tough polyethylene construction. A flexible hoop keeps bag open when in use. Strong carrying handles for easier lifting. Flatten when not in use. Use in garden, home or car.

Lawn Scarifier
Telescopic handle with 11 blades for easy clearance of thatch moss or leaf build up.
DP888

Easy Grip Handle
Attaches to any tool handle from 25mm - 37mm diameter. For comfort, stability and ease of use.
DA120
